

Four members of a Juniata County family were found dead in their home on January 25, 2002. Mark Pannebaker, 37, his wife Marcy (Colyer) Pannebaker, 35, and their two daughters Elena, 13, and Amanda, 10, were shot and killed.

The family members and community were devastated by this horrific incident, but are determined to make something positive come out of it. As a result, the Wings of Kindness Foundation was established in March of 2002, in memory of Mark, Marcy, Elena and Amanda, who gave of themselves to help those less fortunate.

Wings of Kindness
Caring for the Kids of the Juniata Valley

WHAT WE DO

The Wings of Kindness Foundation provides financial assistance to local children and organizations that assist in meeting the needs of young people in the Juniata River Valley. The goals for the foundation include providing resources to underprivileged children for things such as scholarships, college textbooks, food, clothing items, camp tuition and many other special needs.

Just as all children are not the same, all needs are not the same. That is why the Wings of Kindness Foundation evaluates each situation by its individual circumstances and then responds accordingly.

“To provide spiritual, economic and educational opportunities to deserving youth in the Juniata River Valley for generations to come.”

- Mission Statement

Our desire is to help improve the quality of life for underprivileged children in our area. The Wings of Kindness Foundation has already had the opportunity to help some children in our area. ***With your help, we hope to do so much more.***

Below are just a few examples of how we have already helped.

- Sponsored mission/educational trips
- Living expenses for families with ill children
- A year of snack money for kindergarten student
- New shoes for a graduation ceremony
